SPONSOR PACKAGES

We are very excited about the promotional opportunities available for maximizing sponsor interaction at the 2020 National CERT Conference in Springfield, Missouri on July 15-18, 2020. Each package includes exclusive sponsorship of a unique aspect of the conference.

In addition, each sponsorship package delivers other great benefits, such as the promotion of your company brand, both in advance of the conference and at the event itself, complimentary delegate registrations, and much more!

A majority of CERT programs are sponsored by a public safety agency such as fire, law, and emergency services. Your participation in this event will connect you with industry decision makers and give your company national exposure to these organizations along with State and Federal emergency management. Showcase your organization's expertise at the 2020 National CERT Conference.

I invite you to review the attached Sponsor Packages. If you should have any questions, do not hesitate to contact the following:
